Your group is all booked! We got everyone at the

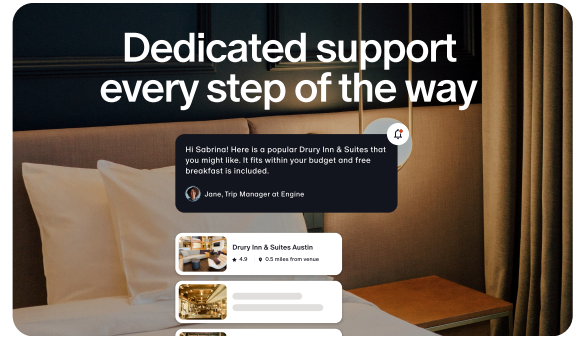

Engine sends your request to the hotels you select, plus others that are a strong fit. Hotels compete for your business by submitting proposals with negotiated rates and better terms.

## Compare proposals side by side

You'll get notified when proposals are ready. Select the one you like best, and Engine guides you through each step to complete your booking

## Dedicated support every step of the way

We tackle the tedious tasks, like managing the contracts, billing, and rooming lists so your group booking runs smoothly from start to finish.

## WHITE-GLOVE SERVICE AT EVERY STAGE OF THE BOOKING PROCESS

### Dedicated trip manager

Your dedicated trip manager will tackle trip logistics in the background so you can focus on your work.

### Rate negotiation

Get the best rates and terms directly from hotel properties with our teams expert negotiation skills.

### 360° booking process

We handle all aspects of the booking agreement, from booking the rooms to gathering signatures.

### Consolidated billing

We simplify the billing process by reconciling charges and sending a single invoice when the trip is over.

### Trip modifications

If plans change, your trip manager will work with the hotel to take care of any modifications for you.

### 24/7 member support

You'll get access to our award-winning customer support team that can be reached 24/7, 365 days a year.
